

Early Years Hub:MK

Milton Keynes Teaching School Alliance

February 2017

Up and coming EYFS training in Milton Keynes

Thank you so much to everyone who braved the mud and rain to join us for our Early Years Hub:MK event on the 31st January; we had an excellent turn out.

I have been busy collating all the information and making sure the training sessions we now deliver are the ones that people are after. Please keep a look out for dates and make sure you book on early as there is going to be an exciting offer. If you were unable to attend on the 31st but have some requests for CPD, please email your suggestions to earlyyears@mktsa.com.

To all you reception class teachers, if you haven't done already, please make sure you have your say on the [Hundred Review](#). You have until the 24th February; it takes about 20 minutes but we all need to have our say.

As part of the event on the 31st, 10 settings were pulled from a hat and will receive a free 1 hour consultancy session. I look forward to coming to see you all. Giles Brook Nursey, Rickey Park Primary School, Portfields Primary School, Ashbrook School, St Mary's CE Wavendon Primary School, Mulberry Bear Day Nursery, Shenley Lodge Pre School, Penny Dolling, Two Mile Ash Pre School and Huggles Childcare

Happy half term for those that get it!

Sarah 😊

Why not try...
